OPERATION

- To open the shutter you must unlock it and use the handles to push the curtain upwards
- To close the shutter you must use the handles to pull the curtain down into the closed position and lock it
- The spring makes it effortless to open and close the shutter; it can be operated easily with one hand.

MOUNTING OPTIONS

- Aluminum d-pull handles and polymer recessed handles are compatible with all bottom bars
- Aluminum recessed handles are only compatible with the heavy duty bottom bars

COLOR OPTIONS

- Handle colors depend on the handle material type
